

Demonstrating NILGA's Impact

Mid-Year Review (April - September 2024)

Impact on Sectoral Sustainability

£355,000
investment secured

- By encouraging regional collaboration to offer economies of scale, NILGA secured £355,000 investment for councils and local government in 24/25.

3 major transformation & improvement opportunities developed to date in 24/25.

- By offering economies of scale to investors, NILGA catalysed opportunities for councils in digital advancement, recruitment & HR services, and the use of persuasive technologies to improve recycling.
